RESERVA WINES

“Apaltagua Reserva Carmènère is a steal.”
-Wine Enthusiast Magazine

Family-owned, handcrafted wines from Chile

Apaltagua Winery, owned by the Tutunjian family, specializes in appellation-based grape varieties. Their 65-year-old vineyards are located mainly in the prestigious Apalta region of Colchagua, renowned for producing many quality wines, including Carmènère, Cabernet Sauvignon and Pinot Noir. Apaltagua wines are made by winemaker Pablo Barros along with consulting winemaker Alvaro Espinoza, one of the country’s foremost winemakers and the pioneer of biodynamic grape farming in Chile.

ROSÉ CARMÈNÈRE

85% Carmènère and 15% Syrah, the Rosé is brilliant pink in the glass with fresh aromas of strawberries, roses, touches of smoky balsamic and a bit of spice. The lingering and spiced tannins lead to a long smooth finish.

CHARDONNAY RESERVA

With aromas of grapefruit, peach and delicate pineapple notes, this un-oaked Chardonnay is fresh, crisp and juicy with a long and pleasant finish. The grapes come from personally selected vineyards in the cool Casablanca Valley.

PINOT NOIR RESERVA

This Pinot Noir from Apaltagua’s own vineyard in the Curico Valley has a brilliant ruby color and emphasizes aromas of raspberries, and soft notes of oak. It boasts smooth and elegant tannins and a sophisticated finish.

CARMÈNÈRE RESERVA

An impressive introduction to the Carmènère grape, a variety once thought to be extinct. 100% Carmènère in the bottle shows a spicy, plummy nose, and ripe berry fruit on the palate along with soft tannins. Minimal handling maintains the quality and character of the fruit.

MALBEC RESERVA

Grown on low ridges at the foot of the coastal mountain range in Maule Valley, this well structured Malbec stands out as a robust and velvety wine with red fruit flavors, such as cherries mingled with plums, truffles and a touch of pepper.

CABERNET SAUVIGNON RESERVA

This Cabernet from an excellent vintage has a deep violet hue and a nose with hints of tobacco and dark chocolate, coupled with ripe stone fruit character in the mouth. Minimal handling preserves its uniqueness and integrity.
