

The May 2011 issue of **THE WASHINGTON** honors  
PANEL MAGAZINE

*CALCU Malbec 2009*

with a rating of **“VERY GOOD”**

# Anthony Dias *BLUE REVIEWS*

In each issue, Editor-in-Chief Anthony Dias Blue selects a wide range of the best wines and spirits from among the more than 500 he samples over the course of a month. The reviews are subjective editorial evaluations, made without regard to advertising, and products are scored on a 100-point scale:

---

**85-89: VERY GOOD**

**90-94: OUTSTANDING**

**95-100: CLASSIC**

---

Once products are selected for publication, producers and importers will be offered the option of having their review accompanied by an image (bottle photo or label art) for a nominal fee. There is no obligation to add an image, nor does the decision affect the review or score in any way.

 The “twisty” icon indicates wines sealed with a screwcap closure.
