Reserva Especial Rosé

VINEYARD

The vineyards in the Ramadilla Estate, where the Malbec and Petit Verdot grapes come from, are settled in the rolling hills of Marchigüe, a location close to the Pacific where the fresh breeze from the ocean permeates the vines during night and day, helping moderate the temperatures in the growing season and favoring a low yield of concentrated and aromatic grapes. The soils are granitic, with an important composition of clay, but very poor in organic content. The Malbec contributes with an extraordinary aromatic power to the blend, while the Petit Verdot provides body and structure.

2018 CLIMATE

The season of 2018 was rather cool during Spring time and in the beginning of the Summer. Therefore, the harvest occurred later than usual, which helped keep the freshness of the fruit intact and achieve an impressive elegance and an outstanding balance, with round and smooth tannins. The season was also drier during the ripening process, thus the grapes were healthy and highly concentrated. 2018 is an exceptional vintage.

HARVEST & WINEMAKING

- 100% hand picking and sorting of clusters.
- Destemming and crushing of the grapes.
- Drainage and natural clarification of the juice after a short maceration.
- Fermentation temperatures between 13°C and 16°C.

REVIEWS

"Pale and elegant pink color. This Rosé is very expressive in the nose, with tropical fruits, like mango and strawberries, in a delicate floral background. In the mouth, the wine is fresh and juicy, with a splendid balance between power and elegance. The finish is persistent and clean », Rodrigo Romero, Winemaker.
