

SOUTH MENDOZA • ARGENTINA

FUNCKEN HAUSEN

Kurt Heinlein and his grandson Alejandro chose to bottle their wines in unique 1.0 liter bottles so there would always be plenty available at gatherings with friends and family. "Because to share you need more than 750ml" is aptly printed on the front of each and every bottle.

In a unique 1.0 LITER bottle!

Argentina is home to many German immigrants including the Funcke family who arrived to Mendoza in the late 1800s. In honor of his ancestors, Kurt Heinlein founded the Funckenhausein Vineyards in the San Rafael appellation of South Mendoza. The region is located at the foothills of the Andes mountains (elevation 2700 feet) near the banks of the Diamante river where they grow distinctive Malbec, Syrah, Cabernet Sauvignon and Bonarda.

Funckenhausein is a family-owned winery that seeks to honor Kurt and Alejandro's German ancestry while establishing an Argentine tradition of winemaking for future generations. Jimena Lopez leads the winemaking team to help focus on Mr. Heinlein's vision of producing superior wines that represent the region. Lopez is part of a rising group of talented female winemakers of South America.

2017 Funckenhausein Malbec Blend 1.0L
Each varietal goes through 15-20 day maceration in its own concrete tank followed by spontaneous malolactic fermentation. The blended wine is juicy, intense, vibrant and well-balanced. 20% of the Malbec in the blend is from the previous 'Reserva' vintage, aged 12-months in French and American oak for added depth and complexity.
50% Malbec, 35% Bonarda and 15% Syrah

2017 Funckenhausein Cabernet Sauvignon 1.0L
It's appearance is dark violet, ruby color in the glass. On the nose it is black fruits, red pepper mixed with subtle notes of spice and vanilla. The Cabernet Sauvignon has a bold yet elegant texture on the palate with a balanced finish that invites another glass.
85% Cabernet Sauvignon, 12% Malbec, 3% Petit Verdot

2018 Funckenhausein Dry Rosé 1.0L
Gently pressed juice contacts the skins only for a few hours for color and aroma and is immediately sent to steel tanks where it undergoes fermentation for about twelve days (no oak). In the glass it is a light salmon color, on the nose there are pleasant aromas of red berries and white flower. The wine is crisp, complex with a lingering finish.
85% Malbec, 13% Cabernet Sauvignon, 2% Cabernet Franc

FUNCKENHAUSEIN PRESS

2017 Malbec 90 pts "Red currant, cherry and raspberry flavors, medium grained tannins and vibrant minerality, juicy finish..." —*Wine Spectator, June 2019*

2017 Malbec 90 pts "Sweet black cherries, sugar plums, strawberries and blackberries; vanilla and spice... full body, soft tannins and a fruity finish." —*James Suckling, April 2018*

2017 Cabernet Sauvignon 91 pts "Very fresh and focused with blueberry and currant aromas and flavors. Medium-bodied, balanced and refined. Pretty and satisfying." —*James Suckling, March 2019*

2017 Rosé "Very good dry rose, and a fine value. It is fruity in character (plum, cherry), balanced, and medium long finish." —*Restaurant Wine, October 2018*
