

Gillmore
VIGNO CARIGNAN
 OLD VINES 2012

Hacedor de mundos is the expression of a dream, of an artisan and a territory that manifest as wines with deep character.

The wines are born from a small production of grapes produced in a 50 years old vineyard, located in the dry coastal area of the Loncomilla Valley.

The character is expressed in concentrated and elegant wine with a rich natural acidity that supports a long evolution in the bottle.

FERMENTATION

We ferment our grapes in stainless steel tanks using traditional methods. During the height of fermentation we pump the wine over three times a day. After this initial process we leave the wine to macerate for two weeks before laying it down in oak barrels for malolactic fermentation.

The wine is aged in neutral oak for 18 months.

WINE PRODUCTION

Loncomilla Valley, Chile The Tabontinaja Vineyards benefit from singular soil composition. Terraces made up of alluvial clay soils and deep granitic colluvial rocks accommodate deep root systems without excessive fertility. The gently rolling hills with gradients of 5 to 8% ensure good drainage. This combination results in a low yield of distinctive fruit.

TASTING NOTES

It has a deep red cherry color and in the nose it has a very intense red fruit which is complex with notes of earth, bay leaf and mint tones. The mouth is an expression of Mediterranean, with firm tannins and a juicy acidity giving this wine a special personality.
