

PEÑALOLÉN

2009 Estate Cabernet Sauvignon

Low yields and hand harvesting indicate the care given to this superior fruit from Alto Maipo, high upon the gravelly slopes of the Maipo Valley. These standards extend to the wine-making process, with meticulous grape selection and aging in French oak barrels for 12 months. Made from a blend of 90% Cabernet Sauvignon, 8% Merlot and 2% Cabernet Franc, this is a bright and juicy wine full of red fruits and spring accents with well polished and integrated tannins. *Wine Spectator* gave a prior vintage 90 points.

2011 Sauvignon Blanc

This delightful wine is made from fruit from the cool Casablanca Valley and demonstrates the promise of Chile's celebrated grape. It owes its complexity to the purity of the 100% Sauvignon Blanc fruit and skillful winemaking rather than external influences like oak. The aromas of mandarin orange and lemon zest, with an underpinning of ginger, harmonize nicely with ripe tropical and citrus flavors. The succulent ripeness coupled with brisk acidity ensure a refreshing and lasting finish, making this wine a classic partner with food. Unoaked and aged in stainless steel tanks.

2008 Cabernet Franc

Brand new! Made from 100% Cabernet Franc grapes, this cool-climate Casablanca Valley wine has aromas of red currant, cherry and blueberry with hints of herb and subtle floral notes. The texture is juicy and elegant thanks to well integrated spicy tannins. The finish has red berries and spicy dried fruit. Aged in French oak for 15 months.

Alcohol: 14.5%
pH: 3.45
