90 **Apaltagua 2006 Envero Carmenere (Colchagua Valley); \$15.** For the second straight year, Envero is a more elevated wine than Apaltagua's basic Carmenere, and it shows all that's good in the variety. The bouquet blends ripe black fruit with pepper and spice, while the palate is full of plum, blackberry and molasses. It's big but lively, with ripe tannins and pure flavors.
