Gillmore

## Ficha técnica

# Mariposa Pais 2019

### Our philosophy

Small productions fermented in the tradicional way, we obtain them from old vines. This vinyards are located in the south coast area, they are irragated only with winter rainfall which produce low yielding. And good quality fruits. Dry Farming Grapes

The terroir is recognized in mature, concentrate and elegant wines. With a natural acidity thats gaves a perfect aging in bottle.

Terraces made up of Alluvial clay soils and deep colluvial rocks

## **Tasting Notes**

Wine with red aromas, strawberries, raspberries. On the mouth we have a soft balance structure with vibrant acidity, it is a dry and fresh wine.

#### **Fermentación**

It was fermented in cold conditions, using Stain steel with traditional techniques.
