MARIPOSA

VINOS CON ALMA

Located in Chile's Maule Valley, Gillmore is a family-owned winery founded in 1990, but with vineyards over 60 years old. Daniella Gillmore and her husband Andrés Sanchez produce and bottle estate-grown wines from their own Loncomilla vineyards. The fruit is harvested by hand and the wine is produced using traditional dry farming techniques. Gillmore is a founding member of MOVI and VIGNO, which are guilds of family-owned wineries with a mission to preserve small winemaking operations in the Maule Valley.

NOTABLE PRESS

"Daniella Gillmore and Andrés Sánchez seem to understand the conditions of the Maule Valley as well as anyone, consistently achieving a combination of concentration and balance in their wines."

THE WINES

GILLMORE MARIPOSA RED BLEND 2020

A blend of 50% Cabernet Franc, 25% Merlot and 25% Syrah, the fruit is dry-farmed from low-yield, 50 year-old organically farmed estate vines. Abundant aromas of red raspberries and strawberries follow an elegant dry acidity in the mouth. The wine is fresh, concentrated and well-balanced.

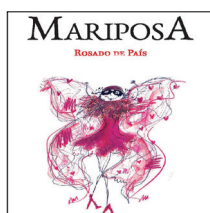

GILLMORE MARIPOSA CARIGNAN 2019

Made with old-vine estate fruit and aged in French oak for 10 months, the Carignan has a deep red cherry color. On the nose it has very intense aromas of red fruit, with complex notes of earth, bay leaf and mint. Firm tannins and a juicy acidity give this wine a special personality. 100% Carignan.

GILLMORE MARIPOSA PAÍS 2020

Produced in small batches from old vines, the País has a natural acidity that lends well to aging. It has aromas of strawberries and raspberries and in the mouth it is dry, fresh, balanced and medium-bodied. País is a uniquely Chilean variety and is produced from estate fruit that is dry-farmed. 100% País.

GILLMORE MARIPOSA PAÍS ROSÉ 2021

Gillmore Rosé comes from small production, cold-pressed País grapes. It is harvested from 70-year old coastal vines that are 100% dry farmed located in the Maule Valley. Delicate floral aromas, rounded with fruit aromas such as cantaloupe melon. The Rosé is fresh and soft with vibrant acidity. 100% País.
