

Gillmore

Gillmore Mariposa País 2021

Our Philosophy

Located in Chile's Maule Valley, Gillmore is a family-owned winery founded in 1990, but with vineyards over 60 years old. Daniella Gillmore and her husband Andrés Sanchez produce and bottle estate-grown wines from their own Loncomilla vineyards. The fruit is harvested by hand and the wine is produced using traditional dry farming techniques. Gillmore is a founding member of MOVI and VIGNO, which are guilds of family-owned wineries with a mission to preserve small winemaking operations in the Maule Valley.

Vineyard

The Tabontinaja Vineyards benefit from singular soil composition. Terraces made up of alluvial clay soils and deep colluvial rocks accommodate deep root systems without excessive fertility. The gently rolling hills ensure good drainage. This combination results in a low yield of distinctive fruit.

Fermentation

It was fermented in cold conditions, using stainless steel with traditional techniques.

Tasting Notes

It has aromas of strawberries and raspberries and in the mouth it is dry, fresh, balanced and medium-bodied.
