

# THE DOMUS AUREA FAMILY OF WINES

## Upper Maipo Valley, Chile

The Domus Aurea family of wines are among the most prestigious and most awarded in all of South America. They produce traditional wines made memorable by preserving the harmony that exists between cultivated fruit and the essence of the natural surroundings of this single vineyard in the Maipo Valley. The hillside vineyards were first planted in 1970. Jean-Pascal Lacaze is the distinguished winemaker and emphasizes low yields and non-interventionist farming of their grapes.
